Issue 18

Friday 23rd June 2017

What a hot few days we have had, the children have coped really well with the heat. We have all appreciated being able to play on the grass. At lunch time we are particularly enjoying having music in the junior playground! Have a look at twitter for photos of our lunchtimes. With only a month left of this academic year, school is busy - Year 6 are rehearsing their leavers' performance; everyone is preparing for sports day and work has started on our new library ready for September. In the next two weeks the children will be finding out who their new teachers are next year. Reports will be out on the 7th July.

## Summer Fayre:

Our summer fayre is being organised by PIPS on the 19th July straight after school. There will be bouncy castles, ice cream, stalls and the opportunity (if the weather is nice) to share a picnic on the field with your family and friends.

## Attendance:

There has been an improvement in attendance since Easter however we need to keep working on it. Children need to be in school even if the weather is lovely, this is not a reason to keep them at home.

- If your child has a cough, cold, tummy ache, feels sick or tired, they should still come to school.
- Going to bed before 8pm on a school night will ensure your child gets enough rest.
- Eating breakfast in the morning and eating healthy foods may help with tummy ache and nausea (feeling sick).
- Washing hands with soap and water helps to prevent germs from passing from one person to another

## Parking Safety:

A reminder, again, for all road users to please drive and park considerately. With the warmer weather perhaps you can allow enough time to park in the surrounding roads and walk a few minutes to school.

## Sports Day:

Rec/YR1/YR2 - Thursday 6th July 2017  
YR3/YR4/YR5/YR6 - Friday 7th July 2017

We are looking forward to seeing you all at Sports Day. The gates will open at 1.15pm ready for a 1.30pm start on the school field. The children will be in their house teams, with siblings. They should wear their PE kits with a house colour shirt or a white t shirt. Please also ensure that they are wearing hats and that suncream has been applied before school. The children will participate in a number of sporting activities and some children from each year group will compete in a running race. During this event there will be limited access to the school buildings. Toilets will be out of use for visitors.

If you have any questions then please ask your class teacher. Remember to bring your Sports Day Cheer!

## Healthy Packed Lunches:

Are you looking for some new ideas for your child's packed lunch?

Working in partnership with parents, we are running a healthy lunch box workshop on Tuesday 27th June from 2.15 - 3.00pm in the small hall. If you would like to attend then please contact the school office. We have lots of ideas and treats in store. As you know we are continuing to improve our healthy lifestyles and well-being at Paganel School. We have a number of children, parents and staff who attend our morning exercise. Before the end of term you will be receiving a questionnaire to complete with your child/children looking at how we as a school can continue to develop well-being for everyone in our community.

## Open Evening:

On 12th July, between 3 and 5pm we will be opening school to give you the opportunity to come into classrooms with your child to celebrate their work in their books.

Teachers will be available during this time for you to talk to, by this time you will have had your child's report so lots of information will be in there. There will not be appointments for the open evening.

## Moving Up Day - 5th July 2017:

Year 6 will be visiting their new secondary schools (arrangments should be sent to you directly from their secondary school). Within school, in the morning, we will be meeting our new teachers. Watch this space for more information.

## **Safeguarding:**

As parents, staff and friends we all have a duty to keep our children safe. Come and talk to Mrs Gingell or Mrs Osman if you want to discuss this further. Listed below are some numbers and websites that you may find useful:

## **Playground Etiquette:**

We would remind parents/carers to please use appropriate language on and around school site. Children pick up quickly on 'new' words. Please be respectful to children, staff and other parents/carers. Thank you.

## **Pupils vs Staff Football Matches:**

On the 13th July at 3:15 pm the Girls Football Club will be taking on the challenge of a friendly football match against female staff members of Paganel Primary School. The girls have all worked extremely hard since the club started and Miss Morris and Mrs McGettrick thought that this would be a fun way to end the school year!

Paganel's Football Team will also be taking on the staff for a friendly match on Tuesday 18th July, Kick off at 3.30pm. Parents/Carers are welcome to come along to support.

## **Golf Tournament:**

On Wednesday 10 children from Year 5&6 went to a Golf competition held at Shenley Academy. It was a glorious day and the students were really looking forward to it.

There were 8 other schools taking part in the competition, which consisted of 8 different golf-related activities. The Paganel team were amazing: accumulating hundreds of points over all the activities. At the final bell the results were announced - it came down to just 20 points between Paganel (824) Bellfield (844). We had been pipped at the post, however what a magnificent effort by all our golfers - they did themselves and Paganel proud.
