Overview

Autumn 1

4C

I hope you had a great summer and welcome you back to our new school year in 4C! I am proud of how all of the children have settled into our class.

I am Miss Calder the class teacher, Miss Nevey, Mrs Hunt and Miss Reading will be the Teaching Assistants working across years 3 & 4.

Please speak to any of us if you have any questions regarding your child's learning.

The Pursuit of Greatness has begun. These are **our school values**. The children will regularly ask questions to further their understanding of these.

Interesting Information

PE: Tuesday and Thursday (pumps, white t-shirt, navy shorts or leggings.)

Please can ensure your child brings a water bottle into school everyday.

English

Spoken Language: We will encourage your child to speak articulately and in full sentences. There will be plenty of opportunities in the curriculum for the children to talk and become confident speakers to different audiences.

Reading: Your child will be heard to read at least twice a week. Depending on their reading age this could happen through an individual reading book, a guided reading session or a shared class read. Once your child has read to an adult this will be recorded in their school planner. The school planner should be brought to school everyday.

How can you help? Reading with your child for 5—10 minutes everyday will make a difference. A comment needs to be made either by an adult or the child in their school planner to show what they have been reading.

Spelling:

These will be sent home weekly and the children will be tested the following week. Spellings are given out on a Friday and the children will be tested on the following Friday.

Handwriting:

We have high expectations with how our children present their learning. Please encourage your child to practise their handwriting.

Writing: We will be using the book Aesop's Fables. We will be writing descriptions, diary entries and narrative.

Maths

In Maths this half term we will begin with Shape, followed by Place Value then Addition and Subtraction.

Your children should be confident with their 2, 5 and 10 times tables. This year we will be focussing on children learning their 3,4 and 8 times tables. We will have a Going for Gold session once a week.

IPC: Brainwaves (3 weeks)

Temples, Tombs and Treasures (3 weeks)

Key vocabulary: learning style, brain, visual, neurons, kinaesthetic, skills, growth mind-set, understanding, fixed mind-set, connections, meta-cognition, reflecting, memory and academic.

Science: Turn it up! (Part of IPC)

PE: Multi skills, body parts and their functions, boot camp.

RE: Expressing joy

French: Presenting myself

Peacemakers: What do I value in my relationship with others?

Dates for the diary:

Training Day: Friday 20th October 2017

Half term: Monday 23rd October to Friday 27th October 2017

End of term: Friday 22nd December 2017
