19th December 2017

Dear Parents

At Paganel we are on the 'Pursuit of Greatness'. Our pupils continue to make myself and the staff very proud their perseverance and understanding that learning involves making mistakes.

Over the last twelve months there have been major changes made at school all of which are having a positive impact on children.

During our Ofsted inspection on November 21st and 22nd, they agreed that our pupils are super ambassadors of our school and proud to wear the Paganel badge.

The Ofsted report highlights both strengths and areas that we need to improve further.

Strengths:-

- Quality of teaching is improving.
- Behaviour is good. Pupils are keen to learn and try hard in lessons.
- Relationships between pupils and adults are strong.
- Teaching of Phonics is effective
- Decisive action has been taken by leaders and Governors and this has resulted in more pupils making progress.

Ofsted recognise that the school has made improvements since the previous inspection, however these changes are in their infancy. Currently the impact of these actions has not yet had a significant impact on our school data. Therefore, Ofsted have judged that we still require improvement.

The Ofsted report is published tomorrow via the Ofsted website

<https://reports.ofsted.gov.uk>. It will be also available on our school website or alternatively a paper copy can be requested at the school office.

I would like to take the opportunity to thank you for your continued support over the last twelve months. Paganel is an improving school with a dedicated, hard working staff team.

Yours sincerely

Mrs Gingell
Head Teacher
