

# How to access remote learning

## j2e Homework

### Step 1

The BGfL 365 platform can be accessed using pupils sign in details through a web browser using

<https://login.bgfl365.uk/> or there is an app available for any Apple device.

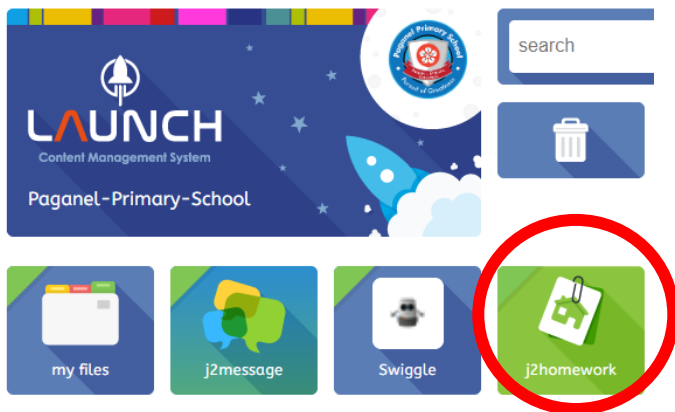

If you require your child's log-in please contact their teacher via the year group email address;

earlyyears@paganel.school.net, year1@paganel.school.net, year2@paganel.school.net, year3@paganel.school.net, year4@paganel.school.net, year5@paganel.school.net, year6@paganel.school.net

### Step 2

Locate the j2homework tile on the launch pad.

### Step 3

View activities set for your child. Any tasks set for your child will be displayed on the Homework page. The list will update each time your child's teacher adds work.

### Step 4

Completing activities. You may need to click on 'edit' to type or draw activities. Don't forget to save your activity once it is finished. After a piece of work has been completed, let the teacher know by clicking 'Mark complete' on the homework activities page.

# How to access remote learning

## Microsoft Teams

1. Join a Teams meeting—either on the app or the web, from the remote learning letter click on the link.
2. Type in your name. Choose the audio and video settings you want.

3. Select Join now.

- Depending on meeting settings, you'll get in right away, or go to a lobby where someone in the meeting can admit you.

**Did you know you can use an Xbox or PlayStation to browse the internet?**

**Allowing you to view Google Classroom, Seesaw and other websites?**

**XBOX**

1. Go to 'My games and apps'
2. Find 'Microsoft Edge' and select
3. Visit the website

*You can use the controller to type and select, and can even plug in a USB keyboard!*

**PLAYSTATION 4**

1. Go to 'Library'
2. Select 'All'
3. Select 'Internet Browser'
4. Visit the website

*You can use your controller to type and select!*

The below is also possible for Microsoft Teams.
