

Year 1 "Time Traveller" Homework

Choose one of the activities for your homework each week and bring it into school so we can celebrate your work together as a class! If you need any resources for your work then speak to your class teacher.

Maths

Create directions to your own time capsule

History

Compare traditions over time (eg, Christmas , Eid, New Years etc)

Can you research some local famous people from history? Try using a library!

Computing

Find out about video games over time.

Conduct a survey within your family to see who would be able to live without technology

English

Write about a famous person

Write a fact file about someone in your family

Create a family tree — How far back in history can you go?

Geography

How have landscapes changed over time? Can you draw before and after pictures?

Art & Design

Design something for the future (like a space car!)

Make your own time machine

Create a montage of an object that has changed over time (for example, get some pictures of some old watches and some new ones and stick them all together on a page of your homework book)

Science

Ask a parent to help you with some baking. How do the ingredients change as you progress through your recipe?
