

## Year 4 Young Entrepreneurs Homework

Choose one of the activities for your homework **each week** and bring it to your teacher!

Evidence of it should be in your homework book, this could be the task itself, pictures stuck in or even photographs of it.

Research	Writing	Art	Get Creative
<p>What is an entrepreneur?</p> <p>Use the internet or a dictionary to find a definition.</p> <p>Write this definition down!</p>	<p>Imagine you are a famous entrepreneur who is about to persuade someone to give you money to build a Superplane!</p> <p>Write a speech to persuade that person!</p>	<p>Make a sign for Paganel's Picks Stationary Shop (see the other side of this sheet!)</p> <p>It needs to be colourful and persuasive to make people come to the shop!</p>	<p>Make a model of your Superplane.</p> <p>Use items from around the house like recycling to help you!</p> <p>If you need anything from school, tell your teacher.</p>
<p>What entrepreneurs are in your local area?</p> <p>Go for a walk with your family and look at all the businesses and write them down/take photos</p>	<p>Design a questionnaire to ask travellers what they would like on your Superplane.</p> <p>It should have at least 5 questions and a way to record those answers.</p> <p>Think about what they might like on their journey.</p>	<p>Draw an example of your Superplane and label all the exciting features it has.</p> <p>Could you challenge yourself to draw the inside of your plane too?</p> <p>Or, design a new currency to use on your plane?</p>	<p>What product could you sell to children at Paganel to make their lives easier?</p> <p>Maybe a robot to help with their Maths or a game to play at break?</p> <p>Design it and write how it will be successful.</p>
<p>Who are some famous entrepreneurs?</p> <p>Use the internet to find out who they are and what they are famous for.</p> <p>Make a poster!</p>	<p>What currencies do other countries use?</p> <p>We use pounds - what other currencies do you know?</p> <p>Use the internet to find out and then write about it.</p>	<p>Ask your parents and grandparents how technology has changed from when they were your age!</p> <p>Draw pictures to show the differences.</p>	<p>Make a map of your local area to show all the businesses and entrepreneurs.</p> <p>Or, make up your own area with lots of different businesses - what does your area need?</p>

Mrs Gingell has set up a small shop where she sells stationary! A Headteacher and an Entrepreneur, wow! 😊

Use your decimals, addition, subtractions, problem solving and money knowledge to solve the problems.

- What is the most expensive item?
- What is the cheapest item?
- What items could you buy for £3?
- What items could you buy for £5?
- What items could you buy for £10?
- What items could you buy for £15?

Ruler	£0.50	Pencil	£0.20
Pen	£0.49	Sharpener	£0.40
Paper Clips (100)	£1.00	Pencil Crayons	£0.75
Stapler	£1.59	Staples	£0.79
Scissors	£1.19	Rubber	£0.30
A4 Paper (1 Sheet)	£0.03	A4 Paper Pack (100 sheets)	£2.50
Hole Punch	£2.50	Sellotape	£0.80

Use your **written methods** to solve these problems.

- 1) How much does a pen and a pencil cost altogether?
- 2) If I bought a pencil and a rubber how much would I spend? I add 2 sheets of paper and a packet of pencil crayons. How much have I spent now?
- 3) I have £4.50 to spend. I buy a pack of A4 paper some scissors and a pencil. How much change do I get?
- 4) Is it cheaper for me to buy 100 single sheets of paper or a pack of A4 paper? What is the difference in price?
- 5) To the nearest pound, how much will it cost to buy a stapler and staples? Now add it up, were you right?
- 6) I treat myself to 100 sheets of A4 paper, pencil crayons, scissors, a rubber, a sharpener and one roll of sellotape. How much change will I get from £20?
- 7) Would £20 be enough money to buy one of each item from Mrs Gingell's shop?

**Challenge:** Write 5 questions for your parents / teacher to solve!
